Underwritten by New York Life and produced by Thirteen/WNET New York, it will air in the fall of 2006 on PBS. One of the season’s major presentations, it will be supported by an ambitious educational outreach centered on an educator’s website — [www.historyofsupremecourt.org](http://www.historyofsupremecourt.org). In four hours, *The Supreme Court* will trace the Court’s evolution from its establishment to the present day, a story marked by continuing struggle over the Court’s role and its powers, especially relative to the other branches of the federal government.
