**To:** Olivas, Michael A  
**Subject:** former AALS Presidents in support of Letter to ABA Council

Attached is a letter with the thoughtful comments of former AALS Presidents Professors Robert Gorman and Elliott Milstein regarding the proposed changes to Standard 405. As former AALS presidents, we concur with the letter and its sentiment. This endorsement is in our own professional and personal capacities, and does not constitute an action of the AALS.

Sincerely,

Michael A. Olivas  
William B. Bates Distinguished Chair in Law  
University of Houston Law Center
