News and Noteworthy

Thank you for the opportunity to serve as Chair of this wonderful and dedicated Section. As I reflect on our Section and this past year, I am proud of the growth and resilience we have all shown as we transitioned into our new “normal” after over two years of COVID and the uncertainty it brought into our lives.

Thank you to our presenters and contributors throughout the year. I especially enjoyed our Speed Idea Sharing Session this summer in which several of our members shared effective methods used to teach elder law and related subjects. This was a great way to learn from and with each other so that we can continue to improve and grow courses for the benefit of our students.

Additionally, our Section’s Officers Joan Foley, Tara Sklar, and Kendall Kerew have been instrumental in keeping this Section active and on track this year – thank you for all of your hard work and commitment to our Section.

Have a wonderful and safe holiday season. I look forward to seeing a lot of you in person at our Annual Meeting in sunny San Diego!

Sincerely,

Katie
