After a quick introduction to the organization, members at various stages of their careers will briefly discuss their experiences with AALS. There will also be a candid discussion of why people attend the Annual Meeting and what they hope to get out of it. New members will have the opportunity to sign up for AALS sections. [3080] AALS Law and Film Series – The Feature Film Selection: Anatomy of a Murder (Sponsored by William S. Hein, Co., Inc.)

The Law and Film Series presents films chosen for their cinematic and legal value, identifying film resources for possible classroom instructional purposes, as well as for raising general awareness of the connection between law and film. For each of the two nights of film showings, we will present films chosen by the AALS Annual Meeting Film Advisory Committee. There will be brief discussions and commentary in connection with the films.

Anatomy of a Murder is a 1959 film directed by Otto Preminger, and is widely considered a classic film. It was nominated for seven Oscars, including Best Picture, and three of the actors were also Oscar-nominated. It features James Stewart, Ben Gazzara, Lee Remick, and George C. Scott in a small town murder mystery, and is framed by an exquisite Duke Ellington musical score, which won a Grammy for best soundtrack. The film turns on a fascinating series of trial tactics, evidence, mental states, and professional ethics. After the film, there will be a moderated discussion.
