HOW DO I SEND MY SHIPMENTS?

You have two options in regard to sending your shipments. You can ship your freight in advance or you can ship it direct to show site. Shipments must be prepaid. **Collect shipments will be refused.** Our preferred carrier is **Liberty, CFS.** Call 905.338.3993 for a Quick Shipping Quote.

ADVANCE SHIPMENTS

Advance Shipping is sending your materials, up to thirty (30) days prior to the event, to a designated warehouse which will store your freight and then deliver it directly to your booth space during move-in. Delivery hours are **8:00 a.m.** – **3:00 p.m.**, Monday thru Friday. The advantage of sending your freight in advance is knowing it has arrived and will be delivered to your booth prior to your arrival.

Shipments arriving at the warehouse after: **Tuesday, December 26, 2017** will be charged an additional 35% of the advance warehouse rate in addition to any other charges incurred.

Please label each item as follows:

Advance Shipping Address

AALS 2018 c/o **CHS** LibertyCSF NV Inc. 9525 Padgett St. San Diego, CA 92126

Advance shipments <u>MUST</u> be received by <u>Tuesday, December 26, 2017</u>.

DIRECT SHIPMENTS

Direct Shipping is sending your materials directly to show-site during the designated move-in times. There is some risk with direct shipping because it does not allow for errors by your inbound carrier. If there is a problem and your carrier does not arrive on time, there may not be enough time to receive more materials.

Please label each item as follows:

Direct Shipments to Show Site: AALS 2018 Marriott Marquis San Diego Marina Grand Ballroom c/o CHS 333 West Harbor Drive San Diego, CA 92101

Any shipments arriving prior to **Tuesday, January 02, 2018** will be refused.

Shipments will be received during the designated move-in periods as well as throughout the event. As an exhibitor, it is your responsibility to instruct your carrier of the proper date for the direct deliveries to show-site. Weight tickets or Bills of Lading indicating weight must accompany freight delivery. The driver's signature on the show-site receiving report will verify the total count and weight.

ALL SHIPMENTS MUST HAVE "C/O CHS" ON THE LABEL. SHIPMENTS MUST BE PREPAID. COLLECT SHIPMENTS WILL BE REFUSED.

BOOTH DELIVERY & CONTAINER STORAGE

Materials received at the warehouse or on show site will be delivered to respective booths at the convention facility. Empty containers will be removed from the booth, placed in storage and returned to the booth at the close of the show. Materials will then move from the booth to the dock and be reloaded on designated vehicles. Material handling charges will apply based on inbound weight. Please note, shipments received without receipts, freight bills, or specified unit counts, from carriers such as UPS or FedEx, will be delivered without guarantee of piece count or condition. No liability will be assumed by CHS for these shipments. *Please see pages 25-26 for Material Handling Information.*

SHIPPING AFTER THE SHOW

A **CHS** "Bill of Lading" is required on all outbound shipments, whether shipping through our carrier or your designated carrier. The "Bill of Lading" is available at the service desk. After your booth is packed, labeled and ready to be shipped please bring the completed "Bill of Lading" form back to the service desk. **CHS** has made special arrangements with **Liberty CSF** to motor freight your display material. If you are not using **Liberty CSF**, our preferred out-bound carrier, you must call your designated carrier with pick up information. If your carrier fails to show up, your shipment will be re-directed through **Liberty CSF** and any discount rate will not apply. A **CHS** representative will be available at show site for further questions.

CHS is the Official Service Contractor and must be used for all material handling, furniture rental, signs, rigging, cleaning, and installation and dismantle of exhibit material.

Labor Rules & Regulations

To assist you in planning for your participation in this event, we know you will appreciate knowing in advance that union labor is required for certain aspects of your exhibit handling. To help you understand the Area Work Rules-Labor Regulations, we ask you to read the following:

Decorator Labor

Union jurisdiction prevails over the set-up and dismantling of exhibits, including sign and laying of carpet. This does not apply to the unpacking and placement of your merchandise. You may set-up your 10'x10' exhibit display if one person can accomplish the task in less than one-half hour without the use of tools. Union jurisdiction prevails over exhibits that extend over 10' in any direction.

If your exhibit preparations, installation or dismantling requires more than 1/2 hour, and or the use of tools, and you are not using an approved EAC, you must use the appropriate union personnel. One full time company employee may supervise/work with the union crew.

Material Handling

Union jurisdiction prevails over the operation of all material handling equipment, all unloading and reloading and handling of empty containers. As a full time employee of the exhibiting company, you may move materials to and from your booth, during setup and tear down, that can be hand carried by one person in one trip without the use of dollies, hand trucks or other mechanical equipment.

Tipping

We request that exhibitors do not tip employees (give money, merchandise, or other special consideration for services rendered.) Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a supervisor. Employees are paid at an excellent wage. Tipping is strongly discouraged and is not an accepted company policy.

Safety

Standing on chairs, tables or other rental equipment is prohibited. This equipment is not engineered to support your standing weight. CHS cannot be responsible for injuries or falls caused by the improper use of this equipment. If assistance is required In the assembling your booth, please order labor on the Labor Order Form. All necessary tools will be provided with labor.
