[3330] AALS Law and Film Series – The Feature Film Selection: My Cousin Vinny (1992)

The Law and Film Series presents films chosen for their cinematic and legal value, identifying film resources for possible classroom instructional purposes, as well as for raising general awareness of the connection between law and film. For each of the two nights of film showings, we will present films chosen by the AALS Annual Meeting Film Advisory Committee. There will be brief discussions and commentary in connection with the films.

My Cousin Vinny is an American comedy film directed by Jonathan Lynn. The film deals with two young New Yorkers traveling through rural Alabama who are arrested and put on trial for a murder they did not commit and the comical attempts of a cousin, Vincent Gambini, a lawyer fresh out of law school, to defend them. Much of the humor comes from the contrasting personalities of the brash Italian-American New Yorkers, Vinny and his fiancée Mona Lisa, and the more reserved Southern townspeople. The film stars Joe Pesci, Ralph Macchio, Marisa Tomei, Mitchell Whitfield, Lane Smith, Bruce McGill, and Fred Gwynne. Tomei won the Academy Award for Best Supporting Actress. After the film, there will be a moderated discussion.

[1450] Environmental Law, Natural Resources & Energy Law Joint Field Trip – The Transnational Ecosystem of California’s Southwestern Corner
Ticket price: $85 per person
Participant on this field trip will learn about coastal and water supply issues in Southern California and our international relations with Mexico on these subjects. The Tijuana River is a treaty waterway between the U.S. and Mexico, although far less well known than the Colorado River and the Rio Grande River. Its mouth, south of San Diego, is protected as a National Estuarine Research Reserve. The Carlsbad Desalination Plant, a little north of San Diego, opened in late 2016 as an alternative water supply system to the State Water Project and Colorado River deliveries. It uses state-of-the-art technology to reduce energy consumption, and the plant owners restored and protected hundreds of acres of coastal wetlands as part of the project. Together, these two sites allow attendees to explore the international, ecological, and energy considerations involved in keeping Southern California supplied with fresh water. A box lunch is included in the field trip fee.

Participants should meet at 8:15 am at the Marriott Marquis, North Tower/Level One, Pacific Ballroom Drive, to depart at 8:30 am by bus for the field trip. You will return to the Marriott Marquis by 5 pm.

AALS now follows PCI Data Compliance Standards. We can accept your payment for the field trip up to 24 hours in advance, but in order to meet standards, we will not be selling tickets on the day of the field trip. Participants will need to sign a waiver of liability to participate in this off-site field trip.

8:30 – 10:15 am
[4040] AALS Opening Plenary Session– Access to Justice
Moderator: Paul Marcus, William & Mary Law School
Speakers:
Cara Drinan, The Catholic University of America
The Honorable S. Bernard Goodwyn, Justice, Supreme Court of Virginia
Alex R. Gulotta, Executive Director, Bay Area Legal Aid
Martha Minow, Vice Chair, Legal Services Corporation

These are difficult times in the United States for poor people in need of vital legal assistance. Criminal defense lawyers are overwhelmed with enormous caseloads and defendants may be afforded little time to consult with their attorneys. The problems with civil justice are just as severe. Thousands of our fellow citizens are unable to receive help with legal problems because of routinely underfunded legal aid programs.

AALS President Paul Marcus welcomes four nationally prominent and thoughtful individuals who will discuss with him the problems they see with access to justice. They will, in addition, propose solutions that might actually make a genuine difference in providing the kind of legal assistance our nation aspires to.

Every seven years a site visit team made up of law professors, university administrators, and practitioners/judges visits member law schools as part of the ABA accreditation/AALS membership review process. The AALS appoints one member (the AALS reporter) to the ABA/AALS sabbatical site team. The reporter is a member of the joint team and also writes an additional report for the AALS focusing on the organization's core values. This workshop is designed for those who serve, or are
interested in serving, as the AALS reporter, as well as schools that will be visited in the coming academic year. Speakers will discuss AALS core values, materials available to the AALS reporter, the site visit and membership review process, and the AALS questionnaire schools must complete prior to a site visit. The workshop also provides essential information about the ABA sabbatical process, as the AALS reporter also functions as a full member of the site team and will have responsibility for a portion of the ABA report.

The film follows the personal stories of Travis Williams, Brandy Alexander and June Hardwick, three young public defenders who are part of a small group of idealistic lawyers in the Deep South challenging the assumptions that drive a criminal justice system strained to the breaking point. Backed by mentor Jonathan “Rap” Rapping, a charismatic leader who heads the Southern Public Defender Training Center (now known as Gideon’s Promise) they struggle against long hours, low pay and staggering caseloads so common that even the most committed often give up in their first year. Nearly 50 years since the landmark Supreme Court ruling Gideon vs. Wainwright that established the right to counsel, can these courageous lawyers revolutionize the way America thinks about indigent defense and make “justice for all” a reality?

On this field trip, participants will learn about the socio-legal history of a San Diego neighborhood that adapted creatively to late twentieth century urban renewal policies and is once again facing gentrification processes. In addition, we hope it will stimulate participants to interrogate similar neighborhood processes in the cities and towns where they live and teach.

To attend this field trip, please sign-up through AALS Registration, and while AALS will not be collecting a fee in advance for this field trip, please note there is a roundtrip trolley fare of $5.00 which participants will pay at the boarding of the trolley. There is no entry fee to Chicano Park. Participants should plan to meet in the Marriott Marquis lobby at 9 am to walk to the nearest station of the San Diego Trolley. Participants will need to sign a waiver of liability to participate in this off-site field trip.

[6500] AALS Reception for Legal Educators from Law Schools Outside the United States

Law increasingly exists in a global context, both in the delivery of legal services and legal education itself. As educators, we aspire to help students develop the global competencies and connections needed for them to take part fully in the future of the legal profession. A more international perspective can also enrich our own scholarship and teaching. AALS invites legal educators from outside the United States to attend this reception held in their honor. The reception will provide an opportunity to mingle with colleagues from law schools all around the globe and forge important potential partnerships and connections.
