WEBINARS

ABOUT WEBINARS

CONCEPT

MENTORING

ABOUT MENTORING

CONCEPT

To foster excellence in teaching & scholarship, improve the legal profession, & offer guidance to faculty in early stages of their careers.

SET UP

Vary in style, connection type, & duration. Sessions can be held via Zoom or in person.

WHAT TO EXPECT

Mentoring looks different to every Section. AALS encourages each Section to focus on what works best for your particular Section.

ELECTIONS

REQUIREMENTS

Sections must arrange for an election either in-person or virtually. Sections should enlist at least 5 members to serve on the board: The Chair, Chair-Elect, & at least 3 additional committee members. Each Section has bylaws to which they must adhere, additional required positions may need to be filled. Refer to your Section's bylaws to confirm.

NOMINATIONS

Only full-time faculty & professional staff of members schools are eligible. Section Chairs may serve for two consecutive years, but then may not serve again for another five years. No person may serve as Chair of more than one Section concurrently. Individuals may serve as Chair & Chair-Elect from different Sections.

TRANSITION

Section Officers will transition to their newly elected positions following Annual Meeting. It is the Section Chair's responsibility to ensure all positions have been filled & all officers are aware of their duties.

FAQ'S

HOW MUCH TIME YOU RECOMMEND I DEDICATE TO MY SECTION?

AALS appreciates all our volunteers who decide to take on Section leadership roles. Dedicating time to your Section will depend on several factors like the size of your membership and how many programs your Section intends to hold at Annual Meeting. As a rule of thumb, we like to suggest 2-3 hours per month, this will allow you time to work on Annual Meeting programming, communicate to your members via Discussion Lists, review Call for Papers nominations, put together Section Newsletters, Webinars, and Socials, and prepare for the leadership transition at the end of the year.

WILL 2023 ANNUAL MEETING BE HELD IN-PERSON OR VIRTUAL?

AALS is planning for an in-person Annual Meeting in 2023, in San Diego, California. We are truly excited about being back in-person, and although the program and meeting may look and act different compared to past in-person Annual Meetings with some adjustments to the schedule, we know it will just as great. AALS will continue to monitor the pandemic and new variants of the virus and keep you informed should we transition to a Virtual Meeting.

WHAT ARE SOME WAYS THAT MY SECTION CAN ASSIST EARLY-CAREER PROFESSIONALS?

Many sections have Works-in-Progress Sessions at the Annual Meeting for early-career members and send out calls for papers throughout the spring and summer each year. Works-in-Progress sessions provide the opportunity for junior scholars to present draft papers and obtain feedback from their colleagues. Sections may also hold Works-in-Progress sessions throughout the year virtually via Zoom.
