Hiring Practices

The world is changing, but what about your hiring practices?

Are your hiring practices equitable?

Do they involve sourcing diverse leaders, librarians, and library workers?

Where do you see bias in your talent acquisition and hiring?

HIRING PRACTICES

● Yes ● No

Employee Development

The world is changing, but what about developing your employees?

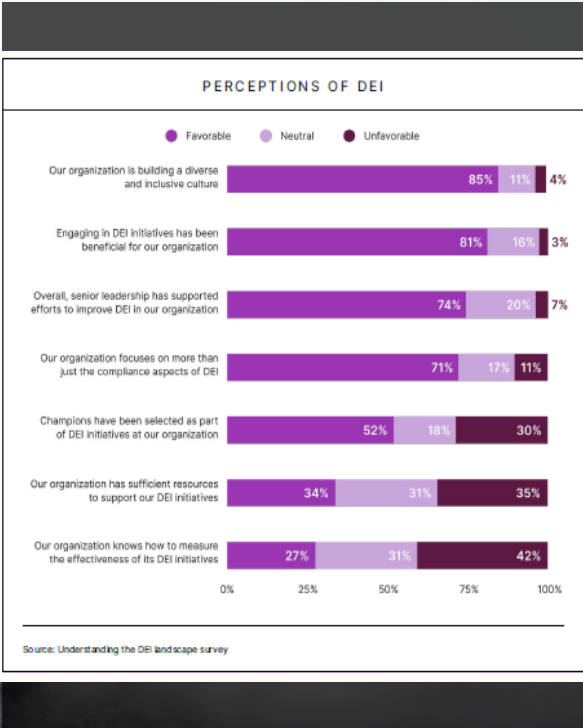

Do you have clear processes in place for career advancement?

Do you have a formal mentorship program for employees?

PROFESSIONAL DEVELOPMENT

● Yes ● No

DEI Perceptions

The world is changing, but what about DEI perceptions?

Do you believe your institution is building a diverse and inclusive culture?

What has been your actual DEI progress?

Do you have sufficient resources to support DEI efforts?

What about the “B” – belonging?

THE FUTURE

What does the future look like?

Being mindful of the disparity of opportunities / safety among different types of people

Role evolution

Developing talent; Invest in your people

Belonging at work

- Affects retention
- Boosts productivity
- Helps with recruitment
